- The Borrower must be 31 days or more delinquent at the time of the Preforeclosure Sale closing.
- The Borrower must provide documentation substantiating a reduction in income or an increase in living expense, and documentation that verifies the Borrowers need to vacate the property (if applicable).

PROCEDURES

(1) Borrowers who express an interest in the Preforeclosure Sale Option or who have been identified by the Lender as a qualified candidate for the Preforeclosure Sale Program must be mailed a copy of the revised *Information/Disclosure* Form HUD-90035.

(2) The Lender must obtain a standard "As Is" FHA appraisal which has been completed in accordance with the requirements of HUD Handbook 4150.2 (Valuation Analysis for Single Family One-to Four-Unit Dwellings). To this end, Lenders must:

- Obtain a standard electronically-formatted appraisal from an appraiser on FHA's Appraiser Roster. The selected appraiser must not share any business interest with the Borrower or the Borrower's agent. Appraisals obtained by the buyer, seller, real estate agent, or other interested parties may not be used to establish the Fair Market Value of the property for the Preforeclosure Sale Program. It is also important to note that:

- The appraisal must contain an “As-Is” Fair Market Value for the subject property;
- Effective April 1, 2010, the appraisal will be valid for 120 days from the effective date of the appraisal; and
- Distress sales may not be used by the appraiser to establish comparable values unless they represent the only comparables within reasonable proximity of the subject property.
- Provide a copy of the appraisal to the homeowner, sales agent, or HUD, upon request.
- Lenders are reminded that in accordance with HUD regulations at 24 CFR Part § 203.365 (c) they are responsible for the accuracy of all documentation used in the Preforeclosure Sale decision, including accurate and complete appraisal information.

In an effort to ensure that the most current Fair Market Value is used for the Preforeclosure Sale, a Lender may obtain a new FHA appraisal, even if the property was appraised by an FHA Roster Appraiser within the preceding 120 days.

To be reimbursed through HUD’s claim filing process, the cost of the appraisal must be reasonable and customary for the market area where the appraisal is performed. The appraisal must be retained in the claim/servicing file, even if the Preforeclosure Sale is not approved or completed.

(3) The Lender must obtain a title search or preliminary report verifying that the title is not impaired with un-resolvable title problems or with junior liens that cannot be discharged as permitted by HUD.

(4) When an application is accepted an *Approval to Participate* form is used. The date of this form becomes the starting date of the Preforeclosure Sale participation. The *Approval to Participate* form must include the date by which a signed contract for sale must be obtained and minimum acceptable net sales price.

- The Borrower agrees to show good faith in attempting to market and sell the property.
- The Borrower must perform all normal property maintenance and repairs until closing of the Preforeclosure Sale.
- The Borrower must list the property with a licensed real estate broker, unrelated to the Borrower. The listing agreement must include a specific cancellation clause in the event the terms of the sale are not acceptable to HUD.

(5) The Lender delays foreclosure to allow pursuit of the Preforeclosure Sale.

(6) The Preforeclosure Sale period shall be four months beginning upon Lender approval (automatically extended two months for Lenders in Tier 1; or there is a signed Contract of Sale, but settlement can not occurred by the end of the fourth month).

(7) The Lender should review marketing efforts with the Borrower and/or the Real Estate Broker/Agent on a monthly basis.

(8) The sale closing must occur within six months, if Lender is in Tier 1, from the date the Lender notified the Borrower in writing of approval to participate in the Preforeclosure Sale Program.
